PROJECTS

My CV page technology stack: TypeScript, HTML, CSS, JavaScript

Online-zoo is a platform that collects information about animals from various zoos with webcams. It is assumed that the user can open a zoo resource page, watch one of the animals, or make a donation that will be used to purchase food. technology stack:

HTML, JavaScript, SASS,

Myroslav Zastavnyi

JUNIOR FRONT-END DEVELOPER

I am a person with quite a lot of work and life experience. I am an enthusiastic, goal-oriented, reliable, responsible, and hard-working person. I am a mature team worker and able to adapt to any difficult situation. I can work well both in a team and on my own initiative. I can work well under pressure and adhere to deadlines. I am a pleasant, cheerful, and friendly person. I have an analytical mindset and am always ready for new challenges. I am well organized and always plan ahead to manage my time properly. I have two higher educations - medical and legal. He was recognized as the best medical representative of 2016 (implemented the sales plan from 2015-2021). Since 2014, I have been engaged in charitable activities at the "Orpheus-IF" Charitable Foundation. The start of the war in Ukraine gave me some free time (since I am currently unemployed). Revise my life prospects and study what I have wanted for a long time: IT technologies.

EXPERIENCE

Biopharma

Key Account Manager of Pharmaceutical company

November 2015 - October 2021
